We are very excited for the upcoming Indoor House League Season for 2019-2020.

We are offering U4, U6 and U8 soccer every Saturday at the North Calgary Soccer centre (very close to home!). With real turf fields to provide the opportunity for our young players to learn and develop their skills.

With all age groups being at the same time we hope this provides families with young children the opportunity to provide the opportunity to all their children as well as minimizing winter driving!
